Target version:			
Activity type:			
Description			

History

#1 - 12/22/2011 12:31 PM - Aaron Marcuse-Kubitza

- Status changed from New to Resolved

- % Done changed from 0 to 100

I set up an automated build process for all the BIEN scripts and dependencies. It runs on both vegbiendev and nimoy. The following commands are a sample of what's available:

Run tests: `make test --directory=/home/bien/svn/scripts/`

Reinstall everything: `make reinstall --directory=/home/bien/svn/scripts/`
