Description			
<ul style="list-style-type: none">• Some providers require them to be cited on any analysis that's conducted with their data:<ul style="list-style-type: none">◦ Forest Plots Database: "I agree to acknowledge ForestPlots.net as a source of any data or information obtained through ForestPlots.net." (https://www.forestplots.net/en/user-agreement)◦ SEINET: "SEINet expects that any use of data from this server will be accompanied with the appropriate citations and acknowledgments." (http://swbiodiversity.org/seinet/collections/download/download.php)• This will enable scientists to exclude such data in queries that should not be subject to these requirements.
